

NAFA Hawk Chalk Advertising Policy & Ad Rates

NAFA will have two types of “ads” in the Hawk Chalk publication. Free ads will be limited to three lines of text in the same font as the surrounding article and will not include references to web site URLs; these ads will be placed where space allows at the end of an article and will not include half-tones. All other ads will be paid ads in the Hawk Chalk and must be submitted as camera-ready.

The NAFA publication, Hawk Chalk, accepts only camera ready ads in digital format, and should be submitted as an email attachment, or CD-ROM to hawkchalkeditor@yahoo.com. Acceptable formats are, PDF, TIFF, JPEG, Adobe PageMaker 7, or PhotoShop. Resolution of images should be between 240 dpi and 300 dpi. With PDF files make sure the resolution of images does not get reduced, and all images and fonts are embedded.
